

Have You Called Your Mom Lately?

VOLUNTEERS NEEDED!

There are over 10,000 seniors who live in long-term care facilities in Fresno and Madera Counties, many of whom have no friends or family members to visit. They are alone and forgotten.

Some never even receive a phone call!

Long-Term Care Ombudsmen volunteers provide monthly, unannounced visits to monitor facilities and advocate for resident's rights, dignity, quality of care and quality of life of our vulnerable seniors.

You can become a state certified Ombudsman Representative and help make a difference!

Please call today to learn how you can help change a senior's life by volunteering!
