Vaccine Update: Eligibility Expanded to New Groups

Now Vaccinating: Cafeteria workers, fast food and restaurant employees, delivery systems, recycling operations, crosswalk guards, bus drivers, daycare providers, food, feed, beverage distribution, education, childcare, public transit, and an extension to Emergency Services to include couriers, social workers, utility workers (electricity, gas, water, waste, roads/highways) that provide emergency support, individuals with high-risk medical conditions, and **family members of all vaccine eligible persons***.

**Effective March 25, 2021: If a person that is eligible under the current criteria comes in with a family member, the family member is allowed to receive the vaccine “no questions asked”. Please note, the discretion of this would be left up to the provider/site administering the vaccine. Additionally, family members of eligible persons must register for an appointment using the same criteria as the eligible family member.*

Upcoming changes to the COVID-19 vaccine eligibility:

- **Effective April 1, 2021, all individuals 50+ years and older will be eligible to receive the vaccine.**
- **Effective April 15, 2021, all individuals 16+ years and older will be eligible to receive the vaccine.**
